

## ***CONNECT***

### **Las Madrecitas & Las Niñas de Las Madrecitas Serve. Connect. Lead. Grow.**

## **VOLUNTEER SERVICE & CLUB JOB REQUIREMENTS**

Provisional and fully initiated Member service and job fulfillment promotes a spirit of collaboration and friendship within our club, ensures the success of Las Niñas and supports OIC through volunteerism and philanthropy. Members who hold leadership positions will typically find that by taking on more responsibility, they are able to focus on their larger job, rather than fulfill a variety of smaller jobs overall. Fulfilling jobs within our club helps to produce our wonderful events, which benefit OIC, enhance recruitment, promote social aspects of our organization, and celebrate Senior families.

\*Volunteer Service Requirements are vital to the success of Las Madrecitas and Las Niñas de Las Madrecitas. Members fill out Interest Finders each year and every effort is made to match members' talents and interests with their assigned jobs. To remain a member in good standing and fully participate in our group members fulfill their jobs and service requirements.

\*\*Members are encouraged to attend the Holiday Event, Founder's Day Lunch, and Installation Luncheon. These lovely events DO fulfill meeting requirements, and may require a nominal charge for the luncheon portion. We find that our members sometimes prefer daytime meetings and those that do, benefit from fulfilling their meeting requirement by attending these social/club events.

Enjoyment of Las Madrecitas and the success of our volunteerism, philanthropy and events rely upon the depth of involvement and generosity of our members. We seek members who share our appreciation of the intrinsic value in volunteerism and philanthropy.
