Las Madrecitas, an auxiliary of the Charitable Children's Guild of the Orthopaedic Institute for Children, held its 51th annual Evergreen Ball in the Grand Ballroom of the Beverly Wilshire Hotel on Jan. 7. The traditional event recognized the Las Niñas 2017 seniors for their exemplary volunteer service to OIC and their community.

Each member of the Las Niñas senior class contributed several hundred hours of volunteer service to OIC and their community throughout their high school career.

The Evergreen Ball planning committee was led by co-chairs Terri Daly, Jennifer Robbins and Janis Warter, and many other members also donated their time to planning the event.

Las Niñas and Las Madrecitas membership is open to mothers and daughters interested in the mission of the organization. For more information about membership, contact lasmadrecitas.lasninas@gmail.com or visit lasmadrecitas-lasninas.com.
