

GROW

Las Madrecitas & Las Niñas de Las Madrecitas Serve. Connect. Lead. Grow.

FINANCIAL COMMITMENT

We are dedicated to the sustainability but also the growth of Las Madrecitas and our legacy of service and philanthropy. Fulfillment of Provisional and fully initiated Member financial commitments ensures our philanthropic contribution to OIC and the sustainability and success of Las Madrecitas and Las Niñas. It also ensures members remain in good standing and they (and their daughters where applicable) enjoy full participation. The financial commitment to our club supports OIC and allows us to produce our wonderful events. Events can financially benefit OIC, enhance recruitment, promote social aspects of our organization, and celebrate our senior families.

NOTE: Senior families are encouraged to fill two tables of guests at the Evergreen Ball and Fashion Show. Some parents opt to offer complimentary tickets to their guests; however, many others utilize other payment option RSVP cards that our club provides. These options will ask a guest to purchase his/her own ticket or to pay for ½ their ticket (the other half being underwritten by the senior family). Many families use a combination of RSVP options. Filling tables at our events ensures a robust attendance, which adds to the fun, while ensuring the financial success of the event and contribution to OIC.
